# BILGIN'S

Leather...

Fur...

Nature's first and best quality of clothing gifted to humankind

We have fell in love with such gift of nature and in 1988 we have manufactured it to become a flagship in fashion industry. As Bilgin's, we follow advanced technologies on sewing techniques, use best-class leather, fur and accessories to honor the material that we deeply respect. Apart from manufacturing products of our world-famous clients with more than 500 employees, our "Bilgin's Luxury" brand has reached masses in Russia, Ukraine, USA, United Kingdom, South Korea and Arabic peninsula.

We offer our luxury segment products, including leather, fur, crocodile, chinchilla, python, at our glancing two shops in Istanbul. Also, our brand "Bilgin's Luxury" is being sold at stores in touristic destinations such as Antalya, spreading our unique and exquisite designs to the rest of the world. Our efforts to spread our products around the world have enhanced in 2020, as we established our brand-new electronic shop available online.

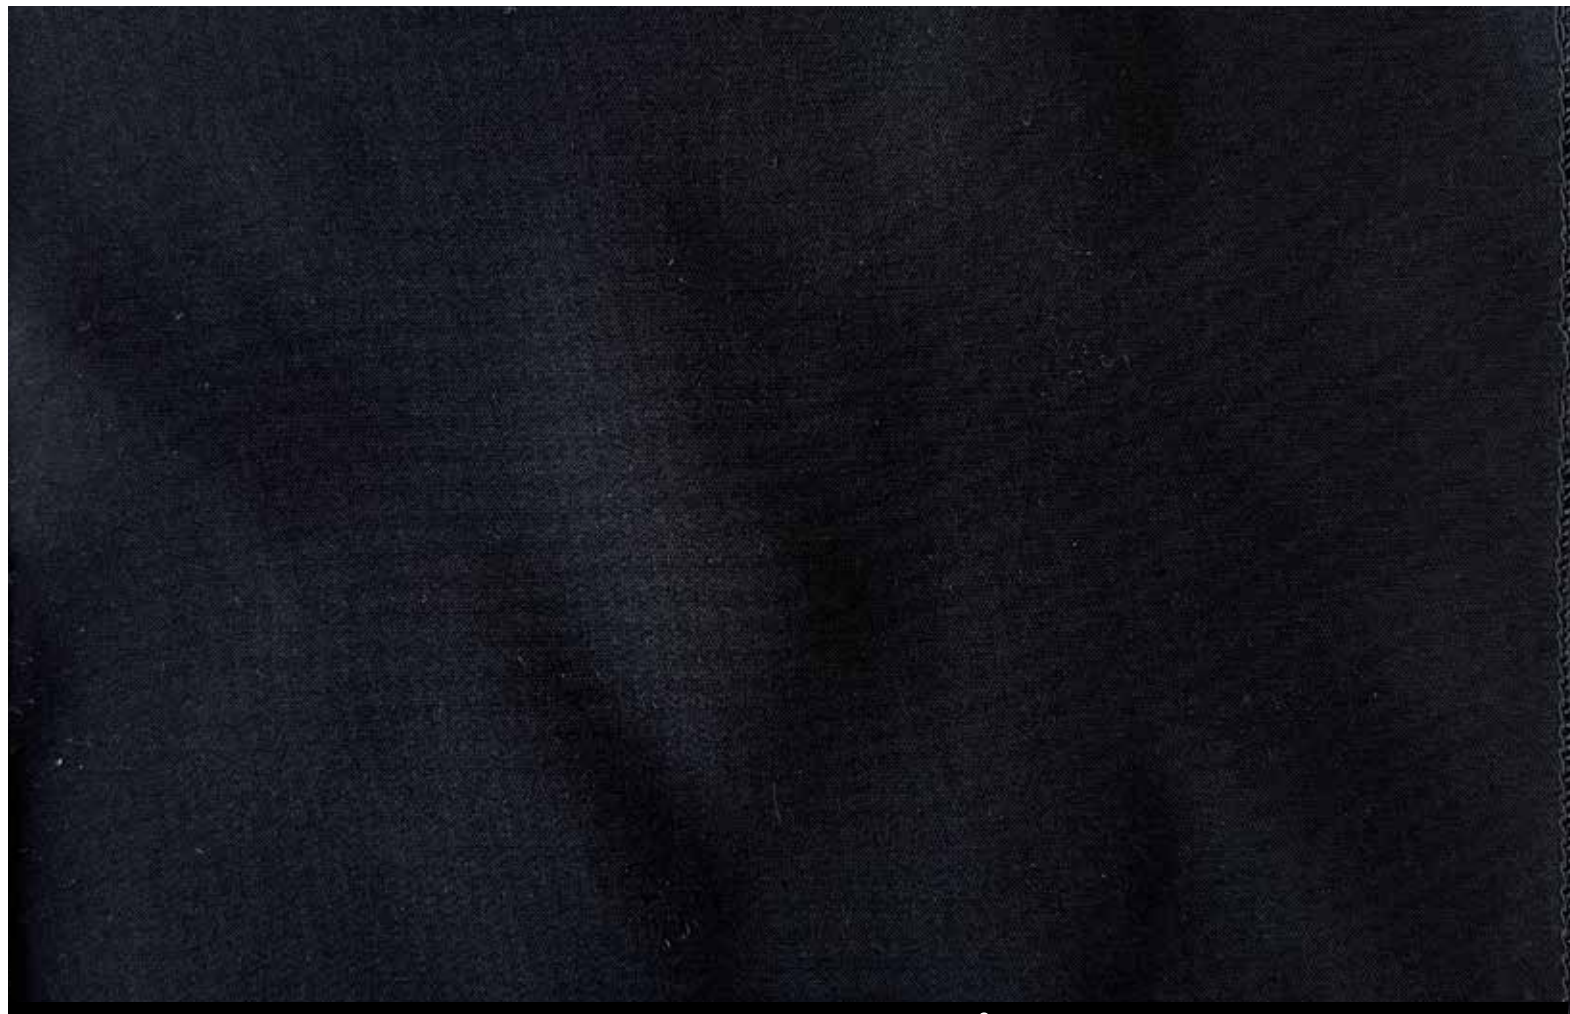

*Loro Piana*

Our company is a company that uses the accessories and fabrics of the Loro Piana brand, exports on a national basis and has become the pioneer of the leading fashion in leather and fur in Turkey.

A full-body photograph of a man with dark hair, styled back, wearing a brown cable-knit vest over a black turtleneck sweater. He is standing in profile, looking to the left. His arms are crossed, with his right hand resting on his left arm. The background is a plain, light-colored wall. The lighting is soft and even, highlighting the texture of the knitwear.
